

# DENTISTS

226,493 Dentists \$75.00/M

## List Description

This file from Focus USA's Small Business database is multi-sourced through public, government and private-agency alliances. These dentists have a median age of 46 and they are likely to be married with children. Over 75% of all dentists in the U.S. are male. More than 90% of active dentists are in private practice with two thirds in a solo practice. The average income for general dentists in solo practice is \$160,000. Reach these responsive dentists with a wide range of offers for products and services including laboratory instruments, diagnostic products, catalogs, credit, insurance, telecommunications, computer equipment and software, office supplies and equipment and much more. **Source: state, federal and local agencies, business and corporate filings, IRS taxpayer records.**
